

Routinely Nomadic Trip Planning Checklist

The order sometimes changes but these are the steps we follow before every big trip. Depending on how long you expect to be gone, some of the tasks will be more important than others but they all need to be addressed on some level.

- Destinations and Itinerary
- Research Transportation
- Calculate a Budget
- Book Important Stuff
- Book Main Transportation
- Research Destination Details
- Book Hotels
- Plan Local Transportation
- Destination Outlines
- Customize Google Maps
- Download Offline Maps
- Download/Update Apps
- Plan Your Local Currency
- Make a Packing List
- Buy Travel Insurance
- Buy an eSIM Card
- Go Trip Shopping
- Learn the Language
- Start Adjusting to the Time Change
- Farewell Tour
- Stock Up on Entertainment
- Backup Phones and Laptops
- Pack
- Check-In for Flights
- Arrange a Ride to the Airport

Now you're as ready as you'll ever be – enjoy the ride!
